## Welcome

Lions Clubs International has been providing opportunities for thousands of youths all over the world to visit countries beyond their hometown under the Youth Exchange Programme since 1961. Lions Club International District 303 Hong Kong, Macao and China has been joining this program since 2000 and has firmly established ourselves as an active and permanent partner with other Lions Clubs. We have been providing opportunities for local LEOs and winners of the Lions English Essay Competition to join the Youth Exchange Camp organized by other Districts of over 100 cities in exchange for youths from the reciprocal countries.

Our program covers cultural, historical, sports and of course community service as the motto of Lions Clubs International is “WE SERVE”.

The objectives of the programme are:-

1. to bring young people (ages 15-24) all over the world to meet in places beyond their home country;
2. to permit the sharing of ideas, ideals and cultural viewpoints on common issues affecting them;
3. to promote international understanding and goodwill, and to work toward the goals of world peace and human understanding;
4. to encourage respect in young people; and
5. to provide an opportunity to improve the participants' communication skills in English; and to build up self-confidence and global vision.

# ***Important Notes for Campers***

## **General Behavior**

As an exchange student/camper, you are an ambassador representing your country. Be attentive, courteous and considerate with your fellow Campers, Camp Leaders, and Hosting Families.

## **Travel Documents**

Please make sure that your passport is kept safely with you at all times. As your Visa to China is only for one time entry, please refrain from using that before our trip to Luoyang on 14th June 2019.

## **Arrival and Pick up**

Campers will be picked up at the Hong Kong International Airport by their hosting families. Should there be any queries, please call Lion Pauline Wan at (852) 9488-1469 or Lion Pappy Au at (852) 9128-0894.

## **Health & Special Need**

Please make sure you alert the Camp Leader or your Group Leader in advance if you are allergic to any food or cannot afford to intense sports. Most important, please report immediately to us if you are not feeling well and sick, especially if you have fever, as you might be required to undergo series of medical test before you are allowed to enter into the country of visit.

## **What to Wear and Bring**

You will be given three (3) Camp T-Shirts at the time of registration. You are required to wear the Camp-T during group outings especially when taking the Jetfoil to Macao on 23<sup>rd</sup> June, high speed train to Luoyang on 14<sup>th</sup> June. This is for the sake of clear and easy identification when travelling in a big group.

The International Night will be held on evening of 21<sup>st</sup> June and you will be invited to do a presentation on your country. We reckon you wear your national costume or something representing your country at the occasion.

The weather in Hong Kong, Macao and Luoyang will be quite hot during the month of June (26°C to 34°C), we would recommend you to bring along light clothing, T-shirts, shorts and pants but prefer not too sexy. Please bring a light overcoat / jacket / windbreaker as the air-conditioning in most of the indoor area are quite cool or even cold and freezing. However, as there will be occasions when you have to dress properly (at least smart casual) when attending dinners and functions of a more formal nature, you are reminded to bring trousers, T-shirt with sleeves, shirts, decent dress/skirts as you reckon appropriate.

There are lots of outdoor and sports activities including dragon boat practice. Please bring along your swimming suit, swimming cap, comfortable walking shoes for running, sports shoes, hats, sunblock and insect repellent spray etc.

To protect our environment and save the world, please bring along your own water bottle. Remember to bring whatever medicine, vitamin or supplement which you are required to take.

### **Your stay with your Hosting Families**

You have been assigned to hosting families which information has been provided to you earlier. We would appreciate if you could be respectful, responsible, cooperative and considerate during your stay with them. Please try your best to communicate with them in all aspects of your life back home, your interest, hobbies, family, culture etc.

Your hosting family has the responsibility to ensure that you are reasonably safe when staying with them. You must be aware that you will not be allowed to go out on your own without the consent of your hosting parents. Even if you are permitted to go out, you must return home per time specified and you will be solely responsible for any accident or damage due to your contrary act.

In case of emergency, please contact :-

1. Lion Pauline Wan (852) 9488-1469
2. Lion Pappy Au (852) 9128-0894

### **Smart Card in Hong Kong – “Octopus Card”**

The use of “Octopus Card” is very convenient as it could be used not only for all public transport including buses, MTR, but also convenient stores, café, fast food chain stores, likewise 7-eleven, MacDonald, Starbucks, Mannings etc.

Your hosting family will give you an Octopus Card with an initial value of HK\$300 and could be top up by yourself as and when necessary. Please return the card to your hosting family when you leave Hong Kong.

## Gifts and Souvenir

It is suggested that you bring with you small presents of nominal cost from your country as giveaways and souvenir to fellow campers, host families and officials of Lions Clubs.

## Currency/Money Exchange
